2> A Treasure hunter - Chester Copperpot was a treasure hunter looking for One Eyed Willie's treasure. An article about his hunt inspired the Goonies to search for treasure to save their neighborhood!

3> Troy - Troy's father is the one trying to buy the goondocks! He is planning to turn the neighborhood into a golf course.

4> Brand - Andy liked Brand. She kissed Mikey first, because it was dark and she thought he was Brand. She made the comment that she thought Brand was 'standing in a hole.' She also asked Stef, 'Does Brand wear braces?' Mikey was much shorter than Brand and he wore braces.

5> Astoria, OR - Most of the filming was actually done in Astoria too, except the beach scenes, which were filmed away from Astoria. Filming took about 5 months!

6> John Matuszak - Before acting, he was a professional football player. He played on the Texans, Chiefs, Redskins, and Raiders during his football career!

7> Chunk - Chunk did the truffle shuffle! Chunk was played by Jeff Cohen. He was often made fun of because of his weight (especially during The Goonies) and he cites this as his reason for playing high school football.

9> The police - The movie begins with the Mama Fratelli breaking her son Jake out of jail with the help of her son Francis! After breaking him out, they are in a high-speed car chase!

10> She was hired to help the Walsh's pack - Mrs. Walsh had an injured arm so Rosalita

was hired by the Walsh's to help them pack in order to move from the Goondocks. She only spoke Spanish, so Mouth was used as the translator.
