Answers:

- 1> Jesse - Jesse, who is Xander's best friend, becomes a vampire during the first episode of season 1. He is initially meant to be a sacrifice to the master, but instead he is turned and used as bait.
- 2> A shiny nickel - He promises her a shiny nickel in exchange for helping him with math. Willow and Xander agree to meet in the library, 'where the books live'.
- 3> Bob Flutie - The correct answer is Bob Flutie. 'The students are free to call him Bob, but they don't.' Bob Flutie is replaced by R Snyder later in the season due to an unfortunate event.
- 4> A Wooden Stake - She drops the contents of her bag, including her wooden stake, which she leaves behind. Xander keeps her stake to return to her when he sees her again, although he is confused as to why she carried a stake with her in the first place.
- 5> Hemery - Buffy attended Hemery high school in Los Angeles. We learned this when Buffy met Cordelia. Cordelia invited Buffy to be part of the cool group in school and since she was from Los Angeles, she could skip the written part of the test.
- 6> Bronze - The bronze is the name of the club in Buffy the Vampire Slayer. This is where everyone hangs out, not just the cool kids. This becomes a problem in the episode 'The Harvest'.
- 7> Vampyr - Buffy is alarmed by Giles at first and she rushes out of the library, but eventually she accepts what she needs to do and becomes much more comfortable around him.
- 8> Gym - Her gym class was canceled on her first day due to the 'extreme dead guy in the locker room'.
- 9> A cross necklace - A cross necklace that saves her from Luke in episode 1. He also gave her his leather jacket, but it was not his first gift to her.
- 10> Willow - Buffy offers this advice to Willow to try to get her to be more comfortable around boys. Unfortunately, this advice leads to trouble!
