Answers:

1> LA - She spends the summer in LA with her father, Hank Summers!

2> A girl's bracelet - She finds a bracelet in the cemetery that is later determined to belong to a girl from Kent Prep school.

3> \$5,000 - The demon told Buffy he would sell the books for \$5,000. He needed the money to buy a plane ticket away from the Hellmouth.

4> To try to bring him back - He needed the bones in order to bring the master back. Buffy was still freaked out after her encounter and pulverized the bones so he could never come back.

5> In a car accident - She was killed in a car accident. She came up in discussion when Buffy found an empty grave in 'Some Assembly Required'.

6> Spike - Spike and his cronies attack the school on parent teacher night! Buffy is especially angry because parent teacher night was her project!

7> Sven - He was a Swedish exchange student. He also hated Cordelia because she was so mean to him. Cordelia hated Sven because she didn't think he spoke English.

8> Eskimo - She was an Eskimo. This costume is what makes Oz notice her for the first time.

9> Crestwood College - The frat boys went to Crestwood College. Tom and Richard invited Cordelia and Buffy to attend a party with them.

10> A soldier - Xander was a soldier for Halloween. When everyone become their costumes, he ended up being the girl's best bet because he protected them even though he couldn't remember who they were.

11> Vampire - Buffy pops in just in time to save them. This was the first vampire attack

since Buffy killed the master and left for the summer.

12> Tom Warner - Richard and Tom show up to talk to Cordelia, but when Tom sees Buffy, he only allows them to come to the party if both Buffy and Cordelia attend.

13> Machida - Machida was a demon worshiped by the Delta Zeta Kappas. He provided wealth in exchange for three women sacrifices.

14> Drusilla - She is mad. She has abilities to see things others can not and she has visions of the future.

15> Lemonade - Kind of. She forgets to put in the sugar, so it is really just squeezed lemons and water. From the reactions of the people that drink it, it is really terrible.

16> Rodney Munsin - The scooby gang knew it was Rodney by looking at the braces that the mummy had recently acquired.

17> Brain cancer - Ford had brain cancer and he wanted to become a vampire so he didn't have to die. He understood that becoming a vampire would kill him, but at least he would still be around.

18> History - He studied History. He also mentioned that he dropped out of Oxford and fell in with the worst crowd that would have him.

19> Police Officer - She is assigned to the Law Enforcement/Police table for career day. She was also attacked by the police officer that she was assigned to.

20> Kendra - She is the second vampire slayer and is opposite of Buffy. She is very knowledgeable about the texts and the slayer handbook, which Buffy had no idea it even existed.
