**Answers:**

- 1> Vanilla, Chocolate, and Strawberry - The candy bar was split into 3 pieces each piece being a different flavor. Eventually, the 3 Musketeers was changed to all chocolate, and now, numerous flavors are available!
- 2> Hershey Kisses - Hershey produces approximately 20-25 million kisses per day in a variety of flavors.
- 3> Mars and Murrie - Mars and Murrie were the last names of the candy's founders.
- 4> 1 cent - Reese's were invented in 1928 and were sold for just 1 penny!
- 5> Gummy Bears - Gummy Bears were invented in the 1920s, whereas Gummy Worms were invented during the 1980s! Gummy worms are the most popular gummy candy ever made!
- 6> Skittles - Skittles were originally imported from Europe! In 1982, they began to produce them in the US.
- 7> Berry - Berry is one of the few flavors of Twix that has not been created. Cookies and Cream was created in 1990 and Coconut was available in 2011.
- 8> Skittles Cereal - Skittles Cereal was never created. Nerd Cereal was a brief creation in the 80s and Reeses Puffs are a cereal that is still being made.
- 9> PixyStix - SweeTarts were introduced with the same original flavors as PixyStix Cherry, Grape, Lemon, Lime, and Orange. Since then, Lemon and Lime became retired flavors and Blue Raspberry and Green Apple were added to the SweeTart flavors!
- 10> Kit Kat - Kit Kat's slogan for 47 years.
- 11> Bit-O-Honey - Bit-O-Honey first appeared in 1924.
