Answers:

- 1> Philosopher's - Philosopher's was changed to Sorcerer's in the US version. The actors even had to say both for the movies. The US are the only movies where they say Sorcerer's.
- 2> A Troll - Professor Quirrell let a troll into Hogwarts to distract the students and professors so he could sneak off to the 3rd floor corridor to try to get the sorcerer's stone!
- 3> Rubeus Hagrid - Harry's first letter came from Hagrid when he visited the island that they were "hiding out" on. Hagrid gave Harry his letter and explained all about Hogwarts!
- 4> A cat - In the movie, we first see Professor McGonagall in her cat form! She changed into her regular human form to speak to Dumbledore!
- 5> Peeves - Peeves was the only character from the books that was not mentioned or shown in any of the movies.
- 6> Lily and James - Harry's middle name is also James! He also is said to look just like his father, except for his eyes. He has his mother's eyes.
- 7> Oliver Wood - Harry was chosen to play on the quidditch team during his first year, but he was not the captain.
- 8> His enemy - Draco Malfoy was Harry's enemy. He made it clear during their first meeting that he had no desire to associate with anyone that wasn't a pureblood.
- 9> Snape - Snape seemed to always dislike Harry! As much as Quirrell hated Harry, he didn't show it until the end of the novel/movie.
- 10> Nearly Headless Nick - Nearly Headless Nick or Sir Nicholas de Mimsy-Porpington was sorted into Gryffindor in the 1500s, and he came back to Hogwarts as a ghost.
- 11> Three - Best Art Direction, Best Costume Design and Best Original Score.
- 12> Rubeus Hagrid - Lord Voldemort killed Harry's parents, but failed to kill Harry.
