Answers:

- 1> Brazil - This also played a key role for the rest of the series! This is where Harry learned he could talk to snakes!
- 2> Olive Hornby - She was making fun of her glasses and Myrtle ran into the bathroom and she saw the Basilisk and died.
- 3> 142 - This was mentioned in the first book. Some of the staircases even moved on their own.
- 4> Devon - Nicolas Flammel was the only known maker of the Socerer's Stone.
- 5> Hawthorn - Draco's wand is Hawthorn, unlike his father, Lucius Malfoy, who had a Dragon Heartstring core!
- 6> Horace Slughorn - Technically, Harry learned how to make the potions by using tips from the half blood prince's book, but Slughorn taught the actual class.

7> Depression - The remedy of a dementor attack is chocolate!

8> James - James Sirius was Harry and Ginny's oldest child. Next came Albus Severus, their middle child, and Lily Luna, their youngest and only daughter.

9> Gabrielle - Her mother's name was Apolline and Fleur's middle name was Isabelle.

10> Madame Hooch - She had the biggest part in the first book/movie when she explained how to fly to Harry. Harry ended up making the Quidditch team because of his amazing flying skills.
