Answers:

- 1> Yellow Pages - Michael Russell later produced a book called Fly Fishing, writing as JR Hartley.
- 2> Doctor Sivana - He called Captain Marvel 'the Big Red Cheese'.
- 3> Humphrey Bogart - This was in Casablanca, whose script was practically tossed together.
- 4> Chamber of Secrets - This was the first sequel in the series and introduced Kenneth Branagh as Lockhart, whom Rowling based on a real-life blowhard.
- 5> Kim Jong-Il - He was 'so ronery'.
- 6> A post-credits scene - The Muppet Movie stinger shows the Muppets talking about the movie before Animal shouts 'GO HOME!! GO HOME!! Bye bye'.
- 7> Anchorman - There is also a scene after the credits in which the characters imagine where they will be in the future.
- 8> A Few Good Men - The women were Louise Fletcher, Shirley MacLaine and Helen Hunt.
- 9> Cloverfield - A notable scene has the monster decapitate the Statue of Liberty, which was inspired by the poster for Escape from New York. The head is about 50 percent larger than actual size.
- 10> Kasey Casem - His 39-yr career ran from July 1970 to July 2009.
- 11> Munich - Airing from 1974 to 1998, it created a catchphrase (Harry, bring the car around) that never actually appeared in the show.
- 12> Bernie Kopell - He played Siegfried, the leader of KAOS, on TV.
- 13> Black Sabbath - Kiss singer Gene Simmons hosted a show called Family Jewels.
- 14> Iron Baby - Iron Baby battled submachine-gun wielding bunnies.
- 15> Rihanna - She got the phrase "Rebelle Fleur" inked on the side of her neck.
