- 3> A Goat - Doctor Dillamond was a Goat! He was a teacher at Galinda and Elphaba's school.

- 7> Galinda - This song symbolized the friendship of Galinda and Elphaba. Before, they were less than friendly acquaintances.
- 8> The Wizard of Oz - We learn that that is the reason she is so powerful. She is a child of two worlds, one being Oz and the other being our (human) world.
- 9> A broomstick - She uses a broomstick. She first enchanted one to escape from the security while visiting the wizard.
- 10> Shiz University - Galinda, Boq, Fiyero, and Elphaba all attend under headmistress Madame Morrible!
- 11> Her mother drank a green elixir - Elphaba learned, with the help of Galinda, that the green elixir her mother drank caused her unique coloring. The wizard (her dad) gave her mother the elixir.

- 15> Grimmerie - She uses this book to cast a spell on a broom and after bidding farewell to Glinda, she leaves Emerald City.
- 16> Nessarose - She was given this title because, as governor, stripped the Munchkins of their rights and treat them poorly.
- 17> The Wizard - After refusing to help him, Elphaba becomes the 'bad guy'. Though, she was never wicked at all.
- 18> She pretends to melt - She pretends to melt, but secretly sneaks out a trap door with the help of Fiyero. They leave Oz and presumably live happily ever after.
- 19> A lion cub that Elphaba tried to free - The Lion that Elphaba and Fiyero tried to free

becomes the cowardly lion. He was trapped in a cage that would keep him from learning speech.

20> Elphaba - 'So if you care to find me, Look to the western sky! As someone told me lately, Everyone deserves the chance to fly!' This is one of the most popular songs in the musical!
